

## 2022 EHS Band Booster Meeting

November 17, 2022 6:04pm

Approval of Minutes

### 1.0 Financial Report

- Ending Balance \$38,142.91
- Unencumbered balance \$25,156.06 (Travel expenses have not been taken out at time of meeting)

### 2.0 Old Business

- Concessions - Mostly have same parents helping with concessions, Thank you to all that helped. Made due with no hot water in concession stand most of the season, it is now fixed and ready to go for next season. May need a new fryer the old is less than 16yrs old. Looking at possibly getting a flat top grill. Our current grill gets extremely hot and needs a good cleaning, it can become a hazard. Need to check at Lowes or Home Depot, they allow teachers to apply for grants which could be a possible solution.
- Parking- Need to look at possibly only using one entrance for parking next year, in one way out the other and maybe getting a card reader? See about securing the back gate better, some are coming around the side of the gate even when closed. Having the gator this year was a big help with parking and taking ice chest back and forth.
- Haunted House - The Armory was very complimentary with the haunted house and the cleaning afterwards. Said it was immaculate and we did a fantastic job and have already put us down again for next year. The train did better than the bounce house. Need to come up with more new things (mini put-put set at WalMart).

### 3.0 New Business

- Spring Trip – Still working on confirming around Prom (will not commit on a date for Prom). Trip will be Universal Studios Orlando with a parade through the park. Last weekend in April looking at Wednesday-Sunday. Price range trying to keep around \$500 hoping to get it less than that. It would be an all-inclusive trip.
- Fund Raising- looking to sell chocolates in January and candles in February. Calendars did not do well last year and was a lot of work. Donuts do not make a lot of profit and they have to be picked up and delivered that day. Someone to check at the Donut King to see if we can do one through them and keep it local.
- Banquet – Lakepoint booked, Armory is out. Chamber is open it was \$900 last year. The Civic Center is opening in January it is very nice and does have a spot for caterers. Will check on how much to rent it. Food – used Joe’s last year, priced Big H for several menu choices ( Big H pricing - Steak Burn \$25, Chicken \$12.95, Hamburger Steak \$14.95). Considering raising prices from \$15 to \$20 per person.
- Need a senior parent committee to oversee decorating.
- At the ECS Board meeting the quality of our practice field was brought up on the radar.

#### **4.0 Adjourn 6:40pm**

##### **Parents in attendance:**

Juanita McKinnon

Bonnie Wilson

Martha Franklin
